

MENU SUGGESTIONS

THE ART OF ENJOYMENT

"There is probably nothing more foolish in the world than giving poor food when one could give better."

This quote from Jeremias Gotthelf's "Ueli der Pächter" is the guiding principle and inspiration for the Bären kitchen.

Our menu suggestions feature traditional and creative dishes, as well as vegetarian and hearty options made from regional ingredients, prepared with sophistication without pretension.

Regionality, seasonality, and a dash of creativity and modernity make dining at Bären a memorable culinary experience, harmonizing hospitality, enjoyment, and history.

KITCHENTEAM

Our kitchen team is committed to both tradition and the region. They understand that good things are often close by but embrace the diversity that makes cooking an endless story.

FROM THE REGION TO THE PLATE

Whenever possible, we source the ingredients we use for you from the region. We place great importance on preparing seasonal dishes and, as far as possible, using Swiss products.

CHEESE AND DAIRY PRODUCTS – CHEESERY KÄMPFER DÜRRENROTH

Since 2001, Urs Kämpfer has been a master cheesemaker in the village dairy. The dairy is known for its Mammoth cheese, which you'll find in our delicious Cordon Bleu.

MEAT – FEINICHOSCHT.CH BUTCHER'S SHOP SCHLÜCHTER DÜRRENROTH

We are fortunate to source most of our meat from the "village butcher." On the Emmental Aperitif, you'll find the delicious Chnebel and Znüni sausages, made right in our village by the butcher.

FARMHOUSE BREAD – BARBARA SCHÜTZ DÜRRENROTH

Our bread baskets are filled with delicious farmhouse bread from a wood-fired oven, lovingly prepared every week by Barbara Schütz.

FLOUR - MILL KLEEB RÜEGSBACH

The grain processed at Kleeb Mill comes from nearby farms. Only natural raw materials are used, producing healthy, digestible products of the highest quality. The mill team gladly shares their knowledge and offers baking courses for everyone. Our homemade Bären bacon plait is made with flour from Kleeb Mill.

YOU EVENT – OUR PASSION

If you're looking for an occasion to celebrate, we are happy to help you find one. Whether it's a christening, company event, wedding, birthday, or family gathering, we are here for you and will organize your meal. Let us advise you during a scheduled consultation to customize the menu according to your wishes.
