

Competitive Events

Date: Feb 13-17 2022

Location: Wyndham Springfield City Centre, Springfield IL

General Overview

The Competitive Events Program is designed to motivate HOSA members and provide a system for recognizing the competencies developed by members through Health Science and Biomedical Science class instruction, related job training, and HOSA related activities.

What to expect

Members from all around the state, both Secondary and Postsecondary/Collegiate, gather to take full advantage of HOSA's Competitive Events Program. Typically held in the spring, the State Leadership Conference incorporates not only competitive events but recognition events too. Elections for the new State Executive Council are also held, and multiple scholarships are distributed. Members are also given the opportunity to network with one another and few exhibitors. They also listen in on an enlightening guest speaker and participate in entertaining down time activities. On the final day of the conference, awards are distributed to the top 10 participants of each event, however only the top 3 finalists advance to the International Leadership Conference, and the new executive council is sworn into service.

Attire for the Conference

When should I wear professional attire?
