Career and Technical Education (CTE) – Health Sciences and Technology (HST) Updates

- Shaista Saiyed
ISBE – Vision, Mission, and Goals

VISION
Each and every child is equipped to make meaningful contributions to society and live life to its fullest potential.

MISSION
Provide each and every child with safe and healthy learning conditions, great educators, and equitable opportunities by practicing data informed stewardship of resources and policy development, all done in partnership with educators, families, and stakeholders.

GOALS
- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois’ diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

CTE Educator Licensure

- [https://www.isbe.net/Pages/career-technical-educator.aspx](https://www.isbe.net/Pages/career-technical-educator.aspx)

- Two types of CTE Educator Licenses with Stipulations (ELS)
  - ELS CTE
  - ELS CTEP (Career and Technical Educator Provisional)

  **ELS - CTE**
  - At least 60 college credits
  - 2000 hours of work experience for initial endorsement
  - 1000 hours of additional non-duplicative work for additional endorsement
  - Grades 5-12

  **ELS - CTEP**
  - 8000 hours of work experience for initial endorsement
  - 1000 hours of additional non-duplicative work for additional endorsements
  - Grades 5-12

- **Limitations:**
  - Confirm the unavailability of PEL or ELS CTE Educator in the school district

- Webinar – Obtaining CTE ELS
- Regional Office of Education (ROE) Directory
ISBE Updates – College and Career Pathway Endorsement (CCPE)

**Legislation** - House Bill 3296

- State statute ([110 ILCS 148/80](#))
- College and Career Pathway Endorsement (CCPE) (isbe.net)

Contact – Heather Leuken, hlueken@isbe.net
Simplified Checklist of Requirements to Offer a CCPE

- Individual Student Career Planning Tool/Process in-place and active
- Transitional Math and Transitional English courses offered to students as appropriate
- Course Sequence specifically focused on the Career Pathway
  - At least two years of coursework
  - Early College Credit Classes that are specifically aligned with the Career Pathway (not general education courses) and that offer at least 6 credit hours
- At least two Team-Based Challenges in which students engage in an authentic challenge and interact with a professional as a mentor during the challenge
- Completes a 60-hour internship experience (which can be divided into 2 30-hour micro-internship experiences, if necessary)

Contact – Heather Leuken, hlueken@isbe.net
CCPE - Approved Endorsement Plans

22 school districts
- From very large to very small
- From nearly the Wisconsin border to nearly the Kentucky border
CCPE - Approved Endorsement Plans

Approved endorsements per Career Pathway

- Agriculture, Food, and Natural Resources - 3
- Arts and Communications - 1
- Finance and Business Services - 7
- Health Sciences and Technology - 21
- Human and Public Services - 8
- Information Technology - 4
- Manufacturing, Engineering, Technology, and Trades - 7
## CCPE - Total Number of Endorsements by Year

<table>
<thead>
<tr>
<th>Year</th>
<th>2020</th>
<th>2021</th>
<th>2022</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total Number of Endorsements Awarded</td>
<td>5</td>
<td>47</td>
<td>596</td>
</tr>
</tbody>
</table>

FY21 - 17 students received Health Sciences and Technology Endorsements
FY22 - 98 students received Health Sciences and Technology Endorsements
